

## Capability Statement

For All Your  
**PROTECTIVE COATING Needs**  
[Offering PRODUCTS & SERVICES]  
\* All Types Of Surfaces  
\* In Various Environments  
Also:  
\* ECO-Friendly Blasting Services  
Using ECO-Friendly Media/Materials

**CAGE Code:** 9EX60

**UEI:** DVJ3S1SHC535

**DUNS:** 82-932-7241

**Certifications:**  
Woman Owned Small Business

**WEBSITE:** [AtkinsGeneralConstruction.com](http://AtkinsGeneralConstruction.com) **Office:** 540-286-2323 **FAX:** 540-286-0309 **Email:** [atkinsgencon@aol.com](mailto:atkinsgencon@aol.com)  
**Billye R. Atkins- Owner/Administration:** 540-846-4271 **Richard E. Atkins- Owner/Project Manager:** 540-845-2501  
**ADDRESS:** 712-B Holly Corner Rd. Fredericksburg VA 22406

Our mission is to align & assist each U S Government Agency, as well as All Military Branches Of Service, with any and all of their "specialty & professional protective coating" needs, surface preparation, corrosion prevention & Air Quality & Purification objectives... thereby, solving problems, and eliminating work & environmental hazards. Partnering with these US entities, allows us to help support & "give back" to our great country, and to all those who have sacrificed and given so much of themselves to our country and its greater cause.

### CORE COMPETENCIES:

- \* 40+ Years in the General Construction Field with a high concentration on Masonry, Foundations, Structural Requirements, Industrial Coatings for Floors, Walls, Ceilings, Boiler & Electrical Rooms, Ship Decks & Hulls, as well as High-Performance Coatings for Vehicles, ATV's, Hum-V's, Military Vehicles, Secondary Containment Systems, Food Manufacturing Areas, Medical Clean Rooms, etc.
- \* Specialized knowledge & experience in industrial coatings for hospital operating rooms, with antimicrobial properties; structural applications for areas requiring waterproofing, fireproofing & thermal coating systems & MUCH MORE.
- \* Extensive knowledge & experience in mold, mildew, & odor removal, remediation, & prevention of recurrence.
- \* Elimination of environmental contaminants & health hazards through the use of professional coatings & materials.
- \* Asbestos & lead "lockdown" encapsulation via the use of specialized coatings & technology.
- \* Installation of anti-static ESD (Electrostatic discharge) & Slip resistant systems.
- \* Decorative Retail & Commercial Flooring Systems. \* Car Parking Deck, Ramps & Stairwell Coating Systems.
- \* Surface Prep & Concrete Repair.
- \* All Resin-Base Seamless Coating Systems & Products (Polymer, Epoxy, Polyurethane)
- \* ECO-Friendly Coating/Paint/Stain/Contaminant & Sealant Removal with ECO-Friendly Media Blasting Machine...  
Examples: Graffiti Removal, Mold, Urine, Blood, Rust, Corrosion, Chemicals, etc.
- \* Sale, Service & Installation Of Medical Grade Air Purification/Air Quality Systems (All Sizes Large to Small)

### NAICS Codes:

- 325510-** Industrial & Marine Coating Manufacturing and Application Technicians/Contractors  
Architectural Coatings: Polyurethane, Epoxy, Elastomeric Coatings; Parking Garage and Deck Protective Coating Contractors
- 238160-** Roof Coatings: Thermal and Waterproof Protective Coating Manufacturing and Application Technicians/Contractors
- 238190-** Foundation, Structure, & Building Exterior Epoxy Waterproofing Protective Coating Manufacturing and Contractors
- 238990-** Sandblasting Building/Surfaces Interior and Exterior Contractors **238390-** Waterproofing Contractors
- 238310-** Fireproofing Contractors **561790-** Pressure Washing Buildings & Decks Contractors And Sandblasting Building/Surfaces Interior and Exterior Contractors **561790-** Pressure Washing Buildings & Decks Contractors
- 324122-** Asphalt Shingle Coating Manufacturing and Application Technicians/Contractors
- 325998-** Corrosion-Prevention Coatings For Steel/Metal/Plastic/Wood and More Manufacturing and Contractors
- 333413-** Commercial/Industrial/Residential Air Purification Systems Manufacturing and Contractors

**DIFFERENTIATORS:**

- \* We PASSED 100% of The U S Navy & All Military Services Stringent ASTM/CRF/FED-STD Test Requirement Criteria!
- \* Our products are on The U S Navy QPL (Qualified Products List)
- \* Our products are FULLY TESTED & APPROVED for Naval Surface Vessels (MIL-PRF 32171A) as Highly Durable & Sustainable.
- \* We are APPROVED by ALL BRANCHES of The Military, as well as DOD.
- \* We offer manufacturing from both the USA, as well as Overseas. \* We adhere to and surpass strict ISO 9001 standards.
- \* Safety is our Top Priority! \* We stand by our Products, Workmanship and Customer Satisfaction.
- \* We are a Premier Leader in the Professional Coatings, ECO-Friendly Blasting and Medical Grade Air Purification Industries.
- \* We solve problems that many of our "industry-competitors" simply cannot solve.
- \* We have a line of Commercial/Industrial-Grade products that can actually be installed or applied by the "end-user", (such as: Military Personnel, Maintenance Staff, Mechanics, etc.), thereby, reducing the cost and time of arranging a contractor and the associated logistics.
- \* Our Patented Professional Coating Products are:
  - + Totally Flexible + Stretchable (No Cracking) + Bonds To Metal, Concrete, Wood, Fiberglass, Plastic & MORE!
  - + Very Light-Weight(Less Than 1 oz/sq ft/coat) +Extremely Durable + Slip-Resistant + Available in SMOOTH Or TEXTURED Finish + For Indoor & Outdoor Use + Salt Spray Resistant + Perfect For Outdoor Weather Environments/Surfaces
  - + Repairable-Bonds To Itself Without Removing Old Coating + One-Part Liquid + UV, Acid, Chemical & Weather-Resistant
  - + Waterproof-(No Membrane Primer Needed) + REPAIRABLE AT SEA!
  - + Fire-Retardant Heat-Resistant (Constant 254 Degrees F) + Corrosion & Abrasion Resistant + Sound-Deadening
  - + Electrical Conductivity Resistant + Can be Applied by Roller, Brush, OR Spray Gun + Self-Leveling
  - + Fast-Dry & Inter-Coat Times + Available in 20 Standard Colors + Environmentally-Friendly + Low/No VOC's
  - + NON-HAZMAT Disposal (when cured) + Encapsulates Lead Paint
  - + Well Over 1001 Uses, to include but not limited to:
    - Interior & Exterior Surfaces Of Military & Industrial Vehicles, Utility-Use Vehicles, Ships, Boats, Bridges, Train Stations, Playgrounds, Airplanes & Airplane Hangars, Construction Tools & Surfaces, Sealing & Insulating Rusted Pipes & Deteriorated Metals, Walkways, Showers, Factories/Warehouses, Loading Docks, Freight Elevators, Bath Houses, Saunas, Rehabilitation Centers, Industrial/Commercial Kitchens & Dining Areas, Balconies, Ramps, Curbs, Tugs & Barges & MORE!

**TESTIMONIALS** From The Serviceability Report(s) on the Nuclear Aircraft Carriers:

**The USS Theodore Roosevelt~**

**The USS George Washington~**

*"... no rust around pipes, hangars or drains,"*  
*"... no visible rust on any deck surfaces,"*  
*"... coating did not appear to be lifted or delaminated,"*  
*"... coating was subject to heavy use by hard-working, dirty personnel."*

*"... coating was found to be in excellent condition, with no deterioration of any kind"*  
*"... no problems or concerns with this coating"*  
*"... no complaints concerning the texture of the deck."*
